

LONE STAR CLASSIC- Session 3 (17 Nationals)

APRIL 19-21 WEEKEND- This is a 3 Day Tournament and a **STAY to PLAY** tournament and we need to secure 5 hotel rooms per team through the housing company to qualify for the tournament. We need these rooms booked ASAP. Unfortunately, these third-party Housing companies that are used for the Stay to Plays have started using loyalty programs for clubs that play year round and have 40+ teams in their clubs and are able to pay a fee to belong and receive early access to the rooms. We have been given rooms by the tournament at the hotels below. Please know that once you book your hotel, you may continue to check the website and if a hotel closer to the venue becomes available, the housing company will move your room at NO charge, but you must have a room booked first.

Please see below for booking instructions- **make sure you READ ALL the INSTRUCTIONS**. Keep in mind there are also parking fees associated with the hotels (they can be seen under the hotel info when booking) Pay attention to cancellation policies as well. Again, this is a **Stay to Play** and we must have at least 5 players per team booked through this housing department. The tournament is also sold out, so we must maintain those 5 rooms throughout this process or risk being let go from the tournament and being waitlisted.
