

MUSIC CITY- March 14-16

These blocks of rooms will expire on November 14, 2024. I am also adding the booking link here, that way if you would like to book closer to the facility you are welcome to. This is also the weekend when NOLA is celebrating St. Patrick's Day so hotels are astronomical. Unfortunately, the tournament is requiring us to fulfill the stay to play requirements even though we live in Baton Rouge (1 hour away). With this being said, there is a 15 room night minimum for each team. I had some teams that decided to just book at the cheapest hotel available on the site (Country Inn & Suites @ \$149.00) and fulfill the room requirements and each family pay approx. \$200 to cover the costs as a whole and then you can commute from BR or stay wherever you want. It is totally up to each team to decide what you want to do. These are just options. [CLICK HERE TO BOOK A ROOM NOT IN THE BLOCKS BELOW FOR MUSIC CITY](#)
