

Mideast Qualifier- St. Louis (15s Nat)

March 13-15 WEEKEND- (the teams will play on the 13th, 14th and 15th) **Please read all the way to the bottom before booking**

This is a 3 Day STAY to PLAY tournament and we will need to secure 15 hotel room nights per team through the housing company to qualify for the tournament. We need these rooms booked ASAP. For this tournament, we are subjected to whatever hotel they offer us. For perspective, this is the 3rd hotel offered to me, I declined the first two (the last one was a Drury Inn about 35 mins away). This is probably the only hotel we will be offered downtown, it took some begging 😊

Please see below for booking instructions- make sure you READ ALL the INSTRUCTIONS/POLICIES associated with the hotels. Pay attention to cancellation policies, parking, etc. as well. Again, this is a Stay to Play and we need to be booked through this housing department. The tournament is also sold out, so we must maintain those 15 room nights throughout this process or risk being let go from the tournament and being waitlisted.

THESE BLOCKS OF ROOMS WILL EXPIRE THIS TUESDAY, DECEMBER 5th at 10:00am

***Home2 Suites by Hilton Downtown St. Louis-** (1221 Locust Street)- (.4 miles to Facility (walking distance, 4 blocks))

-Queen Bed w/ Full sleeper sofa @ \$185/night- Breakfast **INCLUDED**, Parking available with fee (10 Rooms Available)

***The booking agent has visited this hotel personally and said that the rooms were very nice and spacious bc she knew there would be a concern with only a queen bed and pull out sofa, but assured me it was a full pull out sofa. Just wanted to pass this info along.

This is a stay-to-play tournament and reservations must be booked through the tournament housing website. There is not a website open to the public (parents) to book on their own until every team has been offered and accepted their hotel from the tournament housing company. This could be a few months before you can look for a different hotel FYI.

Any questions, please feel free to reach out.
