

SALT LAKE CITY SHOWDOWN- WEEK 1 (15s Nat and 16s Nat, 17Nat XI)

APRIL 25-27 WEEKEND- (the teams will play on the 25th, 26th and 27th) **Please read all the way to the bottom before booking**

This is a 3 Day STAY to PLAY tournament and we will need to secure 15 hotel room nights per team through the housing company to qualify for the tournament. We need these rooms booked ASAP. Unfortunately, these third-party Housing companies that are used for the Stay to Plays have started using loyalty programs for clubs that play year round and have 40+ teams in their clubs and are able to pay the fee to belong and receive early access to the rooms. I was able to grab the following hotel blocks for this tournament.

Please see below for booking instructions- make sure you READ ALL the INSTRUCTIONS/POLICIES associated with the hotels. Pay attention to cancellation policies, parking, etc. as well. Again, this is a Stay to Play and we need to be booked through this housing department. The tournament is also sold out, so we must maintain those 15 room nights throughout this process or risk being let go from the tournament and being waitlisted.

THESE BLOCKS OF ROOMS WILL EXPIRE THIS FRIDAY, DECEMBER 5th at 8:00am

I had to setup 2 separate blocks with separate booking links. Please use the correct link to book your appropriate hotel.

This is a stay-to-play tournament and reservations must be booked through the tournament housing website. If all of the rooms in your team block have been booked or you would prefer to book a room at an alternate hotel, please go to the tournament housing website to secure your required room at [SLC SHOWDOWN WEEK 1- Booking Link](#), and under Booking Type- Please choose BOOK RESERVATION from drop down (DO NOT create a Block of rooms please). Availability is updated regularly throughout the season based on team and individual cancellations so please check back often. Rooms booked through the hotel directly or an alternate 3rd party site will not qualify for stay-to-play participation.

Any questions, please feel free to reach out.
